## MEAT CAUSE OF KIDNEY TROUBLE

TAKE SALTS TO FLUSH KIDNEYS IF BACK HURTS OR HEAD-  
ACHE BOthers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dimness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it is no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

## COMB SAGE TEA INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

## Firm Feeling for All Livestock

**Livestock Market Shows Good Tone at North Portland**

(Courtesy the Journal.)  
PORTLAND, Ore., — All through the local livestock market the trend of the trade is very firm.

Arrivals were scant in both the cattle and swine divisions, and there was again nothing offering in the mutton trade.

The local arrival of cattle that came forward—the sole arrival in that line over night—was in the stocker class.

For these there is a good demand, with values generally ranging from \$20 to \$40 a head, although real good stuff is naturally worth more money.

General cattle market range:  
Choice pulp fed steers... \$7.75  
Choice grain fed steers... 8.50  
Ordinary grain fed steers... 8.25@8.50  
Choice hay fed steers... 8.25@8.50  
Good steers... 7.50@8.00  
Ordinary to common steers... 6.00@7.00  
Choice cows... 7.50  
Ordinary to common cows... 7.25@7.50  
Choice heifers... 7.00@7.25  
Ordinary to good heifers... 6.00@6.25  
Choice bulls... 4.00@4.25  
Good to fair bulls... 2.00@2.25  
Ordinary to common bulls... 1.00  
Best light calves... 7.00@7.50  
Good calves... 7.00@7.50  
Hogs steady at \$9.25.

At \$2.25 for top quality, the local swine trade is considered steady to strong. Arrivals in the yards over night were of small size, but the good stuff found instant demand at the prices quoted.

General hog market:  
Choice light weights... 9.25  
Good light weights... 9.00@9.10  
Rough and heavy... 8.00@8.50  
Mutton Market Nominal.

The market was without mutton or lamb arrivals over night at North Portland. Trend of the trade continues unusually strong, but there has been little stuff available of late to thoroughly test extreme quotations.

The sale of a small lot of Willamette valley spring lambs at 113 yesterday opened the season for those offerings, but it is expected that general mutton and lamb values will remain favorable during the immediate future.

General mutton and lamb range:  
Spring lambs... 13.00  
Choice weight yearlings... 10.50  
Good to common yearlings... 9.00@10.00  
Best old wethers... 8.00  
Good to common wethers... 8.50@8.75  
Old wethers... 8.00@8.25  
Choice light ewes... 7.75@8.00  
Good to common ewes... 7.00@7.50
